

Transfiguration Acolytes

The Acolytes are Escorts and Aides of the Priest

We are men and women, boys and girls who make our Parish a powerfully prayerful and spiritual place. We serve God and our Parish by escorting the Rector and participating in the solemnity of the Mass.

We ensure that:

- We are dressed in appropriate vestments
- The Altar candles are lit before all church services and extinguished afterward
- The priest is led in all processions by the Crucifix and torches
- The *Sanctus* bells are rung at their solemn times
- The alms basins are presented to the ushers
- The priest is assisted with the preparation of communion
