Doing What Love Requires Stewardship in 2021

Thank you so much for prayerfully considering making a financial pledge in support of our shared ministry at Transfiguration — so we can continue doing what love requires us to do.

We are committed to sharing God's love with even more people in this coming year — making a positive difference in the lives of everyone in our community and beyond. We know that God is always about making things new — I am very excited about the places God will show us, places we will go together.

May God bless you and your loved ones in this stewardship season.

Faithfully,

The Rev Kent Marcoux, Rector

Generous and Loving God

Generous and loving God, we come to you in thanksgiving, knowing that all we are and all that we have is a gift from you. In faith and love, help us to do your will. We are listening. Speak your words into the depth of our souls, that we may hear you clearly.

We offer to you this day all the facets of our lives, whether it be at home, at work, or at school. We seek to be patient, to be merciful, to be generous, to be holy. Give us the wisdom and insight to understand your will for us and the fervor to carry out our good intentions.

We offer, as a true act of faith, our gifts of time, talent and possessions to you, to reflect our love for you and our neighbors. Help us to reach out to others as you have reached out to us. Amen.
